INDEX TO VOLUME 2

A

ABBOTT, A. C., New instruments for sympathectomies 412.
ABBOTT, C. E. B., MacKENZIE, W. C. and ROSS, C. A., Surgical treatment of achalasia of œsophagus, 345.
ACTINOMYCOSIS, abdominal, Report of an unusual case and review of literature on antibiotic therapy; case [Davies and Lynn] 305.
AIRD, I.: See Ogilvy, W. L., jt. auth.
ALLEN, P. B. R. and KLING, S., Effects of gradual complete occlusion of the hepatic veins 365.
AMPUTATION, Rehabilitation of the elderly amputee [Kay and Pennal] 44.
ANDERSON, D. O.: See McKenzie, A. D., jt. auth.
ANGIOCARDIOGRAPHY: See Arteries, pulmonary.
ANKENMAN, G. J.: See Balfour, J., jt. auth.
ANTISEPSIS AND ANTISEPTICS, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. I: Operating theatres [Nimeck, Myers and MacKenzie] 233.
An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. II: Surgical wards and dressing stations [Myers, Nimeck and Mackenzie] 381.
ANTRUM PYLORI: See Stomach.
AQUEDUCT OF SYLVIUS, obstruction, Septum of the aqueduct of Sylvius: developmental anomaly; case [Leckey and Morley] 200.
ARMS, œdema, Angioblastic sarcoma in post-mastectomy lymphœdema; case [Ogilvy, Franklin and Aird] 195.
ARTERIES, pulmonary, Mediastinal and pulmonary angiography as aid in determining resectability of primary lung cancer: preliminary report [Sanders, Steele and Delarue] 147.
ASCITES, experimental, Effects of gradual complete occlusion of the hepatic veins [Allen and Kling] 365.

B

BALFOUR, J., Circulating fibrinolysin in carcinoma of the prostate 138.
BALFOUR, J., McCAFFREY, J. A., EDEN, J. and ANKENMAN, G. J., Cystinuria; review of literature; genealogy and report of case with recurrent urolithiasis 67.
BAULD, W. S., GURD, F. N., BENSLEY, E. H., HELLSTROM, J. G., HILL, M. C. and LEHMAN, G. W., Simple plan of postoperative parenteral fluid therapy 33.
BEAULIEU, M., CARON, W. and PARADIS, B., Cysts and cystic tumours of the anterior mediastinum 353.
BENSLEY, E. H.: See Bauld, W. S., jt. auth.
BILE DUCTS, cancer, Choledochus cyst with associated carcinoma; case [McKenzie, Sandy and Anderson] 88.
surgery, Replacement of a segment of common bile duct by an ivalon prosthesis in dogs [Krause and McCarten] 393.
BIOPSIES, Scalene node biopsy—a post-mortem study [Downs and McMorris] 276.
BLADDER, pathology, Malakoplakia; case [Carruthers] 213.
BLOOD, amylase, Effect of narcotics on the serum amylase [Lansing] 29.
cells, Recovery of tumour cells from venous blood draining cerebral gliomas: preliminary report [Morley] 363.
chemistry, Acid-base changes in dogs with and without extracorporeal circulation [Elliot and Callaghan] 185.
coagulation, Postoperative bleeding after extracorporeal circulation [Wright, Darte and Mustard] 142.
fibrinogen, Circulating fibrinolysin in carcinoma of the prostate [Balfour] 138.
BLOOD PRESSURE, HIGH, portal: See Portal Vein, blood pressure in.
BOISSONNAULT, C.-M., Chirurgiens canadiens d'autrefois 328.
BONENFANT, J.-L.: See Plourde, S., jt. auth.
BOOTHROYD, L. S. A. and SPOHN, F. J. D., Strangulated adnexa in infantile hernia; case 311.
BREAST, abscess, Acute and chronic [Wilson] 389.
cancer, Angioblastic sarcoma in post-mastectomy lymphœdema; case [Ogilvy and others] 195.
cancer, A reassessment [Janes] 252.
BRIANT, T. D. R. and HARRIS, W. R., Fat embolism: an experimental study using quartz rod microscopy 242.
BRONCHI, rupture, Recognition and management of traumatic ruptures of the tracheo-bronchial tree [Gagnon] 331.
tumours, Endobronchial lipoma: presentation of a case and review of the literature; case [Nanson and Hilliard] 192.
BURNS, therapy, Homologous skin grafts—factors affecting survival and report illustrating prolonged survival [Kay] 60.

C

CÆCUM, diverticula, Solitary diverticulitis of the cæcum and ascending colon [Inglis and Hampson] 166.
ulcers, Simple ulcer of the colon: report of four cases [Friedman and MacKenzie] 279.
CALLAGHAN, J. C.: See Elliot, E. C., jt. auth.
CANADIAN JOURNAL OF SURGERY, Change of address 118.
CANCER, prognosis, Prognosis in lung cancer surgery based on blood vessel invasion [Gagnon and Gélinas-Mackay] 156.
therapy, Effect of triethylene thiophosphoramide (Thiotepa) and 17-ethyl-19-nortestosterone (Nilevar) on wound healing [Pisesky, Williams and MacKenzie] 291.
CARON, W.: See Beaulieu, M., jt. auth.
CARRUTHERS, N. C., Malakoplakia; case 213.
CEREBELLUM, tumours, Recovery of tumour cells from venous blood draining cerebral gliomas: preliminary report [Morley] 363.
CHEST: See Thorax.
CHESTNUT, H. W.: See Ferguson, C. C., jt. auth.
CHONDROSARCOMA: See Sarcoma, chondrosarcoma.
CHORDOMA: See Tumours, chordoma.
COLON, dilatation, Hirschsprung's disease: nine years' experience at the Hospital for Sick Children, Toronto [Langer and Thomson] 123.
diverticula: See Intestines, diverticula.
ulcers, Simple ulcer of the colon: report of four cases [Friedman and MacKenzie] 279.

CONTRACTURE, Dupuytren's, Heredity as an etiological factor; case [Gordon] 421.
COURTEMANCHE, A. D.: See Cowan, R. J., jt. auth.
COWAN, R. J. and COURTEMANCHE, A. D., Experimental study of tendon suturing techniques 373.
CURRIE, D. J. and WELSH, K., Stenosis of small intestine due to ischæmia following massive resection; case 96.
CYSTINE and CYSTEINE, in urine: See Urine, cystine and cysteine.

D

DARTE, J.: See Wright, T. A., jt. auth.
DAVIES, G. R. and JACKSON, B. A., Gastric polyps 397.
DAVIES, G. R. and LYNN, R. B., Abdominal actinomycosis—report of an unusual case and review of literature on antibiotic therapy; case 305.
DEGLUTITION, disorders, Dysphagia due to osteoarthrosis of the cervical spine; case [Nevill and Kirkaldy-Willis] 191.
DELARUE, N. C.: See Sanders, D. E., jt. auth.
DESJARDINS, E., Sir William Hales Hingston (1829-1907) 225.
DOBELL, A. R. C., GUTELIUS, J. R., KARN, G. M. and MURPHY, D. R., Present status of extracorporeal circulation 78.
DOWNS, A. R. and McMORRIS, L. S., Scalene node biopsy—a post-mortem study 276.
DUCTUS ARTERIOSUS, Patent ductus arteriosus; review of thirty-six cases treated by surgery [Ferguson and Chestnut] 55.
DUPUYTREN CONTRACTURE: See Contracture, Dupuytren's.
DYSPHAGIA: See Deglutition, disorders.

E

EATON, R. B., Carcinoma of head of pancreas; study of twenty-one cases 15.
EDEN, J.: See Balfour, J., jt. auth.
ELECTROLYTES, Simple plan of postoperative parenteral fluid therapy [Bauld and others] 33.
ELLIOT, E. C and CALLAGHAN, J. C., Acid-base changes in dogs with and without extracorporeal circulation 185.
EMBOLISM, fat, An experimental study using quartz rod microscopy [Briant and Harris] 242.
ETHICS, medical, Royal College of Physicians and Surgeons of Canada (C) [Graham] 312.
17-ETHYL-19-NORTESTOSTERONE, Effect of triethylene thiophosphoramide (Thiotepa) and 17-ethyl-19-nortestosterone (Nilevar) on wound healing [Pisesky, Williams and MacKenzie] 291.

F

FARMER, A. W.: See Laurin, C. A., jt. auth.
FERGUSON, C. C. and CHESTNUT, H. W., Patent ductus arteriosus; review of thirty-six cases treated by surgery 55.
FIBRINOLYSIN: See Blood, fibrinogen .
FIDLER, H. K.: See McKenzie, A. D., jt. auth.
FINGERS AND TOES, wounds and injuries, Cross-finger pedicle flap in the repair of finger tip injuries [Robertson] 272.
FLUIDS, administration and dosage, Simple plan of postoperative parenteral fluid therapy. [Bauld and others] 33.
FOOT, anatomy and histology. The normal movement at the sub-talar joint, [Hall] 287.
contracture, Dupuytren's contracture: heredity as an etiological factor; case [Gordon] 421.
FORAMEN OF WINSLOW: See Hernia, internal.
FRACTURES, therapy, Positive pressure reduction of fractures of the sternum; case [Teskey] 215.
FRANKLIN, R. H.: See Ogilvy, W. L., jt. auth.
FRIEDMAN, M. H. W. and MacKENZIE, W. C., Simple ulcer of the colon: report of four cases 279.

G

GAGNON, E.-D., Recognition and management of traumatic ruptures of the tracheo-bronchial tree 331.
GAGNON, E.-D. and GELINAS-MACKAY, C., Prognosis in lung cancer surgery based on blood vessel invasion 156.
GALLIE, W. E., George Armstrong Peters (as I remember him) 119.
GAREAU, R.: See Genest, A., jt. auth.
GASTROINTESTINAL TRACT, tumours, Gastric polyps [Davies and Jackson] 397.
GAUMOND, E., Opération chirurgicale à l'Hôtel-Dieu de Québec en 1700 323.
GELINAS-MACKAY, C.: See Gagnon, E.-D., jt. auth.
GENEST, A. and GAREAU, R., Chondrosarcome du bras: guérison (?) après évolution de 17 ans; case 301.
GHENT, W. R., Crush injuries to the chest 265.
GLIOMA: See Cerebellum, tumours.
GORDON, S. D., Dupuytren's contracture: heredity as an etiological factor; case 421.
GRAHAM, J. H., Royal College of Physicians and Surgeons of Canada (C) 312.
GRUNDY, E. C.: See Junkin, E. R., jt. auth.
GUEUKDJIAN, S. A., Chordoma of the dorsal spine; case 106.
GURD, F. N.: See Bauld, W. S., jt. auth.
GUTELIUS, J. R.: See Dobell, A. R. C., jt. auth.

H

HALL, M. C., The normal movement at the subtalar joint 287.
HAMPSON, L. G.: See Inglis, F. G., jt. auth.
HAND, contracture, Dupuytren's contracture: heredity as an etiological factor; case [Gordon] 421.
surgery, Experimental study of tendon suturing techniques [Cowan and Courtemanche] 373.
HARRIS, W. R.: See Briant, T. D. R., jt. auth.
HARRISON, R. C., Present status of the gastric antrum—collective review 295; correction 396
HEART, artificial, Acid-base changes in dogs with and without extracorporeal circulation [Elliot and Callaghan] 185.
artificial, Postoperative bleeding after extracorporeal circulation [Wright, Darte and Mustard] 142.
artificial, Present status of extracorporeal circulation [Dobell and others] 78.
tumour, Intra-atrial myxoma; review of literature and report of right atrial myxoma diagnosed preoperatively and successfully treated; case [Padhi, Kelly and Lynn] 414.

HELLER OPERATION: See Stomach, cardiospasm.
HELLSTROM, J. G.: See Bauld, W. S., jt. auth.
HERNIA, inguinal, Strangulated adnexa in infantile hernia; case [Boothroyd and Spohn] 311.
internal, Hernia through the foramen of Winslow; report of case and review of the literature; case [Junkin and Grundy] 208.
strangulated: See Hernia, inguinal.
HILL, M. C.: See Bauld, W. S., jt. auth.
HILLIARD, I. M.: See Nanson, E. M., jt. auth.
HINGSTON, SIR WILLIAM HALES (1829-1907) [Desjardins] 225.
HIRSCHSPRUNG'S DISEASE: See Colon, dilatation.
HNATUIK, J. and RICHARD, H. L., Small bowel obstruction: review of operative cases from the Royal Alexandra Hospital, Edmonton, 1953-1957 407.
HOSPITALS, surgical service, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. I: Operating theatres [Nimeck, Myers and MacKenzie] 233.
surgical service, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. II: Surgical wards and dressing stations [Myers, Nimeck and MacKenzie] 381.
HUMERUS, tumours, Chondrosarcome du bras: guérison (?) après évolution de 17 ans; case [Genest and Gareau] 301.
HYPERTENSION: See Blood Pressure, High.

I

INGLIS, F. G. and HAMPSON, L. G., Solitary diverticulitis of the cæcum and ascending colon 166.
INSTRUMENTS, New instruments for sympathectomies [Abbott] 412.
INTESTINES, blood supply, Stenosis of small intestine due to ischæmia following massive resection; case [Currie and Welsh] 96.
diverticula, Solitary diverticulitis of the cæcum and ascending colon [Inglis and Hampson] 166.
obstruction, Small bowel obstruction: review of operative cases from the Royal Alexandra Hospital, Edmonton, 1953-1957 [Hnatuik and Richard] 407.
wounds and injuries, Perforation of the small intestine from non-penetrating trauma [Joynt] 40.
IVALON (polyvinyl sponge): See Bile Ducts, surgery.

J

JACKSON, B. A.: See Davies, G. R., jt. auth.
JANES, R. M., Carcinoma of the breast: a reassessment 252.
JOYNT, G. H. C., Perforation of the small intestine from non-penetrating trauma 40.
JUNKIN, E. R. and GRUNDY, E. C., Hernia through the foramen of Winslow: report of case with review of the literature; case 208.

K

KARN, G. M.: See Dobell, A. R. C., jt. auth.
KAY, G. D., Homologous skin grafts—factors affecting survival and report illustrating prolonged survival 60.
KAY, G. D. and PENNAL, G. F., Rehabilitation of the elderly amputee 44.
KELLY, H. G.: See Padhi, R. K., jt. auth.
KIDNEYS, calculi, Cystinuria; review of literature and report of case with recurrent urolithiasis [Balfour and others] 67.
displaced: See Kidneys, movable.
movable, Retroperitoneal lipoma causing renal displacement; case [Winram and Ward-McQuaid] 422.
KIRKALDY-WILLIS, W. H.: See Nevill, G. E., jt. auth.
KLING, S.: See Allen, P. B. R., jt. auth.
KLOTZ, P. G., Recent experience with abscess of the prostate 387.
KRAUSE, C. C. and McCARTEN, A. B., Replacement of a segment of common bile duct by an ivalon prosthesis in dogs 393.

L

LANGER, B. and THOMSON, S., Hirschsprung's disease: nine years' experience at the Hospital for Sick Children, Toronto 123.
LANSING, A. M., Effect of narcotics on the serum amylase 29.
LAURIN, C. A. and FARMER, A. W., Congenital absence of ulna; case 204.
LECKEY, R. G. and MORLEY, T. P., Septum of the aqueduct of Sylvius: developmental anomaly; case 200.
LEHMAN, G. W.: See Bauld, W. S., jt. auth.
LEIOMYOMA: See Tumours, myoma.
LIPOMA: See Tumours, lipoma.
LITHIASIS: See Kidneys, calculi.
LIVER, cirrhosis, Effects of gradual complete occlusion of the hepatic veins [Allen and Kling] 365.
LOUGHEED, M. N.: See Palmer, J. D., jt. auth.
LUKE, J. C., Surgical treatment of recurrent varicose veins 51.
LUNGS, cancer, Mediastinal and pulmonary angiography as aid in determining resectability of primary lung cancer: preliminary report [Sanders, Steele and Delarue] 147.
cancer, Prognosis in lung cancer surgery based on blood vessel invasion [Gagnon and Gélinas-Mackay] 156.
tumours, Solitary primary leiomyoma of the lung; case [Lynn and MacFadyen] 93.
LYMPH NODES, pathology, Scalene node biopsy—a post-mortem study [Downs and McMorris] 276.
LYNN, R. B.: See Davies, G. R., jt. auth.
See Padhi, R. K., jt. auth.
LYNN, R. B. and MACFADYEN, D. J., Solitary primary leiomyoma of the lung; case 93.

M

McCAFFREY, J. A.: See Balfour, J., jt. auth.
McCARTEN, A. B.: See Krause, C. C., jt. auth.
MACDONALD, I. B., Idiopathic pneumoperitoneum 131.
MACFADYEN, D. J.: See Lynn, R. B., jt. auth.
McKENZIE, A. D.: See Moore, J. R., jt. auth.
McKENZIE, A. D., MOORE, J. R. and FIDLER, H. K., Cancer of the thyroid; undifferentiated and miscellaneous carcinomas 73.
McKENZIE, A. D., SANDY, J. T. and ANDERSON, D.O., Choledochus cyst with associated carcinoma; case 88.
MACKENZIE, W. C.: See Abbott, C. E. B., jt. auth.

See Friedman, M. H. W., jt. auth.
See Myers, G. E., jt. auth.
See Nimeck, M. W., jt. auth.
See Pisesky, W., jt. auth.
MacKENZIE, W. C., NORVELL, S. T., MATHEWS, B. L. and SHNITKA, T. K., Islet cell tumours and peptic ulcers; report of two cases of Zollinger-Ellison syndrome 6.
McMORRIS, L. S.: See Downs, A. R., jt. auth.
McPHEDRAN, N. T., Massive upper gastrointestinal bleeding from spontaneous laceration of the lower œsophagus (Mallory-Weiss syndrome); case 103.
MALAKOPLAKIA: See Bladder, pathology.
MALLORY-WEISS SYNDROME: See Stomach, hæmorrhage.
MARTIN, S. J.: See Palmer, J. D., jt. auth.
MATHEWS, B. L.: See MacKenzie, W. C., jt. auth.
MEDIASTINUM, cysts, Cysts and cystic tumours of the anterior mediastinum [Beaulieu, Caron and Paradis] 353.
roentgenography, Mediastinal and pulmonary angiography as aid in determining resectability of primary lung cancer: preliminary report [Sanders, Steele and Delarue] 147.
MEDICINE, in Ontario, Hirschsprung's disease: nine years' experience at the Hospital for Sick Children, Toronto [Langer and Thomson] 123.
MEPERIDINE, effects, Effect of narcotics on the serum amylase [Lansing] 29.
MEWBURN, FRANK HAMILTON (1858-1929), Professor of Surgery, University of Alberta, pioneer surgeon [Rawlinson] 1.
MICROSCOPY, technique. Fat embolism: an experimental study using quartz rod microscopy [Briant and Harris] 242.
MOORE, J. R.: See McKenzie, A. D., jt. auth.
MOORE, J. R. and McKENZIE, A. D., Thyroid cancer in children 175.
MORLEY, T. P., Recovery of tumour cells from venous blood draining cerebral gliomas: preliminary report 363.
MORLEY, T. P.: See Leckey, R. G., jt. auth.
MORPHINE, effects, Effect of narcotics on the serum amylase [Lansing] 29.
MURPHY, D. R.: See Dobell, A. R. C., jt. auth.
MUSTARD, W. T.: See Wright, T. A., jt. auth.
MYERS, G. E.: See Nimeck, M. W., jt. auth.
MYERS, G. E., NIMECK, M. W. and MacKENZIE, W. C., An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. II: Surgical wards and dressing stations 381.
MYXOMA: See Tumours, myxoma.

N

NANSON, E. M. and HILLIARD, I. M., Endobronchial lipoma: presentation of a case and review of the literature; case 192.
NARCOTICS: See under names of drugs.
NEVILL, G. E. and KIRKALDY-WILLIS, W. H., Dysphagia due to osteoarthrosis of the cervical spine; case 191.
NILEVAR: See 17-Ethyl-19-Nortestosterone.
NIMECK, M. W.: See Myers, G. E., jt. auth.
NIMECK, M. W., MYERS, G. E. and MacKENZIE, W. C., An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. I: Operating theatres 233.
NORVELL, S. T.: See MacKenzie, W. C., jt. auth.

O

ŒSOPHAGUS achalasia: See Stomach, cardio spasm.
hæmorrhage, Massive upper gastrointestinal bleeding from spontaneous laceration of the lower œsophagus (Mallory-Weiss syndrome) case [McPhedran] 103.
OGILVY, W. L., FRANKLIN, R. H. and AIRD I., Angioblastic sarcoma in post-mastectomy lymphœdema; case 195.
OLD AGE, surgery in, Rehabilitation of the elderly amputee [Kay and Pennal] 44.

P

PADHI, R. K. and LYNN, R. B., Complications of pulmonary resection in tuberculosis 161.
PADHI, R. K., KELLY, H. G. and LYNN, R. B., Intra-atrial myxoma: review of literature and report of right atrial myxoma diagnosed preoperatively and successfully treated; case 414.
PALMER, J. D., LOUGHEED, M. N. and MARTIN, S. J., Carcinoma of the tongue: study of 100 cases at the Montreal General Hospital 180.
PANCREAS, cancer, Carcinoma of head of pancreas; study of twenty-one cases [Eaton] 15.
tumours, Islet cell tumours and peptic ulcers; report of two cases of Zollinger-Ellison syndrome [MacKenzie and others] 6.
PANCREATITIS, Postoperative acute pancreatitis [Telford] 22.
diagnosis, Effect of narcotics on the serum amylase [Lansing] 29.
PARADIS, B.: See Beaulieu, M., jt. auth.
PENNAL, G. F.: See Kay, G. D., jt. auth.
PEPTIC ULCER, complications and sequels, Islet cell tumours and peptic ulcers; report of two cases of Zollinger-Ellison syndrome [MacKenzie and others] 6.
PETERS, GEORGE ARMSTRONG (1860-1907), (As I remember him) [Gallie] 119.
PHOSPHORAMIDES: See Cancer, therapy.
PISESKY, W., WILLIAMS, H. T. G. and MacKENZIE, W. C., Effect of triethylene thiophosphoramide (Thiotepa) and 17-ethyl-19-nortestosterone (Nilevar) on wound healing 291.
PLOURDE, S. and BONENFANT, J.-L., Les cylindromes des glandes salivaires: présentation de cinq cas 248.
PNEUMOPERITONEUM, Idiopathic [Macdonald] 131.
POLYPI: See Tumours, polypi.
PORTAL VEIN, blood pressure in, Effects of gradual complete occlusion of the hepatic veins [Allen and Kling] 365.
PROSTATE, abscess, Recent experience with abscess of the prostate [Klotz] 387.
cancer, Circulating fibrinolysin in [Balfour] 135.
pathology, Malakoplakia; case [Carruthers] 211.
PROSTHESES: See Bile Ducts, surgery.

R

RAWLINSON H. E., Frank Hamilton Mewburn, Professor of Surgery, University of Alberta, pioneer surgeon 1.

REHABILITATION: See Amputation.

RICHARD, H. L.: See Hnatuik, J., jt. auth.

ROBERTSON, D. C., Cross-finger pedicle flap in the repair of finger tip injuries 272.

ROSS, C. A.: See Abbott, C. E. B., jt. auth.

ROYAL COLLEGE OF PHYSICIANS AND SURGEONS OF CANADA, (C) [Graham] 312.

S

SALIVARY GLANDS, tumours, Les cylindromes des glandes salivaires: présentation de cinq cas [Plourde and Bonenfant] 248.

SANDERS, D. E., STEELE, D. C. and DELARUE, N. C., Mediastinal and pulmonary angiography as aid in determining resectability of primary lung cancer: preliminary report 147.

SANDY, J. T.: See McKenzie, A. D., jt. auth.

SARCOMA, angiosarcoma, Angioblastic sarcoma in post-mastectomy lymphœdema; case [Ogilvy, Franklin and Aird] 195.

chondrosarcoma, Chondrosarcome du bras: guérison (?) après évolution de 17 ans; case [Genest and Gareau] 301.

SHNITKA, T. K.: See MacKenzie, W. C., jt. auth.

SKIN, transplantation, Cross-finger pedicle flap in the repair of finger tip injuries [Robertson] 272.

transplantation, Homologous skin grafts—factors affecting survival and report illustrating prolonged survival [Kay] 60.

SOCIETIES, SURGICAL, British Association of Plastic Surgeons, International Congress 72.

Royal College of Physicians and Surgeons of Canada (C) [Graham] 312.

SPINE, osteoarthritis, Dysphagia due to osteoarthrosis of the cervical spine; case [Nevill and Kirkaldy-Willis] 191.

tumours, Chordoma of the dorsal spine; case [Gueukdjian] 106.

SPOHN, F. J. D.: See Boothroyd, L. S. A., jt. auth.

STAPHYLOCOCCI, infections, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. I: Operating theatres [Nimeck, Myers and MacKenzie] 233.

infections, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. II: Surgical wards and dressing stations [Myers, Nimeck and MacKenzie] 381.

STEELE, D. C.: See Sanders, D. E., jt. auth.

STERNUM, fractures, Positive pressure reduction of fractures of the sternum; case [Teskey] 215.

STOMACH, cardiospasm, Surgical treatment of achalasia of œsophagus [Abbott, MacKenzie and Ross] 345.

hæmorrhage, Massive upper gastrointestinal bleeding from spontaneous laceration of the lower œsophagus (Mallory-Weiss syndrome); case [McPhedran] 103.

physiology, Present status of the gastric antrum—collective review [Harrison] 295; correction 396.

tumours, Gastric polyps [Davies and Jackson] 397.

SUBTALAR JOINT: See Foot, anatomy and histology.

SURGERY, history, Chirurgiens canadiens d'autrefois [Boissonnault] 328.

history, Frank Hamilton Mewburn, Professor of Surgery, University of Alberta, pioneer surgeon [Rawlinson] 1.

history, George Armstrong Peters (as I remember him) [Gallie] 119.

history, Opération chirurgicale à l'Hôtel-Dieu de Québec en 1700 [Gaumond] 323.

history, Sir William Hales Hingston (1829-1907) [Desjardins] 225.

operating rooms, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. I: Operating theatres [Nimeck, Myers and MacKenzie] 233.

operating rooms, An evaluation of aseptic and antiseptic techniques as practised in a modern hospital. II: Surgical wards and dressing stations [Myers, Nimeck and MacKenzie] 381.

postoperative care, Simple plan of postoperative parenteral fluid therapy [Bauld and others] 33.

technique, Experimental study of tendon suturing techniques [Cowan and Courtemanche] 373.

SUTURES: See also Tendons, surgery; Surgery, technique.

Experimental study of tendon suturing techniques [Cowan and Courtemanche] 373.

SYMPATHECTOMY, New instruments for [Abbott] 412.

T

TELFORD, D., Postoperative acute pancreatitis 22.

TENDONS, surgery, Experimental study of tendon suturing techniques [Cowan and Courtemanche] 373.

TESKEY, L., Positive pressure reduction of fractures of the sternum; case 215.

THIOTEPA: See Triethylene Thiophosphoramide

THOMSON, S.: See Langer, B., jt. auth.

THORAX, wounds and injuries, Crush injuries to the chest [Ghent] 265.

THYROID, cancer, In children [Moore and McKenzie] 175.

cancer, Undifferentiated and miscellaneous carcinomas [McKenzie, Moore and Fidler] 73.

TONGUE, cancer, Study of 100 cases at the Montreal General Hospital [Palmer, Lougheed and Martin] 180.

TRACHEA, rupture, Recognition and management of traumatic ruptures of the tracheobronchial tree [Gagnon] 331.

TRIETHYLENE THIOPHOSPHORAMIDE, Effect of triethylene thiophosphoramide (Thiotepa) and 17-ethyl-19-nortestosterone (Nilevar) on wound healing [Pisesky, Williams and MacKenzie] 291.

TUBERCULOSIS, PULMONARY, surgical therapy, Complications of pulmonary resection in [Padhi and Lynn] 161.

TUMOURS, chordoma, Of the dorsal spine; case [Gueukdjian] 106.
cylindroma, Les cylindromes des glandes salivaires: présentation de cinq cas [Plourde and Bonenfant] 248.
lipoma, Endobronchial lipoma: presentation of a case and review of the literature; case [Nanson and Hilliard] 192.
lipoma, Retroperitoneal lipoma causing renal displacement; case [Winram and Ward-McQuaid] 422.
myoma, Solitary primary leiomyoma of the lung; case [Lynn and MacFadyen] 93.
myxoma, Intra-atrial myxoma: review of literature and report of right atrial myxoma diagnosed preoperatively and successfully treated; case [Padhi, Kelly and Lynn] 414.
polypi, gastrointestinal: See Stomach, tumours.

U

ULCERS, therapy, Simple ulcer of the colon: report of four cases [Friedman and MacKenzie] 279.
